## Ten fashion trends for fall

There are so many things we love this season, we need both hands to count them

### Masculine Shoes

Taking a cue from men's wingtips and golf shoes, women's footwear is moving toward the masculine, with lace-ups and spectator stitching (lighter colored leather stitched over black or brown).

Georgina Goodwin's "Martha" shoe borrows a few details from the boys.  
Price available upon request at **Clementine**.
